Synopsis

In *The Witness*, we'll hear about the life, death, and resurrection of Jesus Christ, and learn how this Man's life brought God's salvation to the world.

Using Peter's perspective, this Narrated musical features Peter, a fisherman who made so many mistakes and yet became an apostle and witness for Jesus; Peter's Wife, who suddenly discovers she's married to a traveling man; Mary, the mother of Jesus, who shares the secret to finding favor with God; James & John, who begin to understand what the kingdom of God is really all about; their mother, who watches out for their welfare; and the tormented Judas, as he realizes that he has sold his own soul.
