

Color a **Rainbow** of Hope

Remember how special it was to open a new box of crayons? The rainbow of colors greeted you with endless possibilities of drawings you would create. We want to give the children of Myra, Kentucky, whose lives continue to be impacted each day by the devastating floods, a chance to experience hope that tomorrow

will be brighter and better. We will be collecting boxes of **16 Crayola Crayons** that will be sent along with coloring books to Manna From Heaven where Lois Tackett will make sure they are distributed to the families with children. Keith Turner and the Farm Ministry are helping us to acquire the coloring books and will plan to include the crayons and coloring books in a delivery to Kentucky around Easter. We are asking that you purchase only the boxes of **16 Crayola Crayons**. A basket will be provided in the foyer where you can place the boxes of crayons from Sunday, March 5th through Sunday, April 2nd.
